

Year 5

Dear Parents & Carers,

Welcome to Year 5. We hope you all had a lovely summer and are feeling refreshed.

The children have settled in well and we are enjoying getting to know them. We have started our science topic of Earth and Space and this appears to have really captured the children's imaginations. In maths we have been revisiting place value while moving on to numbers up to 1,000,000. In English we have been reading *The Lost Thing* by Shaun Tan and writing complex sentences.

Next week is History Week, celebrating 20 years of Fern Hill School and our homework task is linked to this.

It was great to see so many of you at the meeting this morning. The Powerpoint will be available on the school website for anyone who was unable to make the meeting.

Homework Reminder

Title: My Personal History

Next week each child will create their own personal timeline. In order to do this the children need to think of one important/interesting event in their lives for each year e.g the year they learnt to ride a bike. They should write these in chronological order on a piece of paper. This **MUST** be ready Tuesday morning. Thanks.

Date Reminder

March 31

April 18

April 21

Announcements

Polite reminder – earrings should not be worn at school. If the holes are still healing, the earrings should be covered.

We welcome Mr Gardner who is doing a great job of looking after Lime Class until Mrs Naik returns.
