Weekly News –

Notices

- New reading books will be coming home this week please read daily with your child, sign their diary and ensure your child bring the books back on their book changing day. Bracken – Monday Clover – Wednesday Heather - Friday
 - Please continue to work with your children to learn their high frequency words as in Year 1.
 - Spelling lists have been sent out and children will be tested once a week.
 - Remember school uniform rules include no earrings, nail varnish and please ensure girls have appropriate hair ties/clips.
 - If you can help on a weekly basis from 2:30 – 3:15 listening to children read please see your class teacher.
-

Dear Parents / Carers,

We have taken time to settle ourselves in to Year 2 this week and have enjoyed getting to know new classrooms, teachers and routines. We have thought hard about the importance of resilience so we are ready to take on the challenges throughout the year ahead.

English

This week we have been revising what nouns, adjectives and verbs are. We have been gathering lots of vocabulary to make our writing more exciting. We have then been using this when describing pictures and remembering where we need capital letters and full stops.

Maths

In Maths we have been looking at place value. We have been ordering and comparing numbers using a 100 square to help us. We used our estimating skills to make reasonable guesses of how many objects we could see.

Topic

We have launched straight into our new topics this year! We started our seaside topic by thinking about what we already know and what we would like to find out. In Science we worked as a group to classify whether a range of things were living, had lived or never lived which raised some interesting discussions. Please remember if your child wants to bring in something topic related for show and tell we would welcome this!

Year Two
