

Year One

Dear Parents,

High Frequency Words will start next week. By the end of the week (29th) you should all have your child's 5 new words in their word wallet. If there are any problems, please ask your TA in the morning.

Many thanks to the parents that helped re-organise the KS1 library.

English

The children have worked really hard to write their first piece in their English book. They have labelled their favourite toy as well as using their sounds to write simple captions describing their it.

Talking Point ... Ask your child about what they learnt in the Thomas the Toy Maker workshop on Tuesday. What toys did they see? What were the toys made of? What was their favourite toy?

Maths

In Maths the children have enjoyed various counting on and back activities. We have also worked on the skill of estimating. The class teacher had an amount of counters in their hand and without counting the children had to estimate how many there were. The children have also written their own number line in their books and we have concentrated on number formations and making sure that the numbers are formed correctly as well as thinking about tens and ones in 2 digit numbers.

Topic

In Art, the children have been exploring the French artist Henri Matisse. They have created their own picture inspired by the artist by using tissue paper and then paint their face over the paper by using black paint.

To celebrate 20 years of Fern Hill School we have been thinking about what we will be doing in 20 years' time. Talk to your child what you were doing 20 years ago.

Phonics

We have learnt the following in class: ck, ll, ff and ss

Deputy Head Teacher's Award

Lavender

Lola

Sami

Cornflower

Victoria

Jeevan

Foxglove

Aurelio

Tulsi
