

Year One

Dear Parents,

Please can we ask that any letters are handed to your TA in the morning and not put in your child's book bag. Unfortunately, we do not have time to check every individual bag. Many thanks.

English

In English this week we have explored the book 'This is the Bear' by Sarah Hayes. We explored the characters of the book as well as the setting and what happened throughout. We have continued to work on remembering to use finger spaces in our writing as well as capital letters and full stops.

Independently the children have been designing their own postcards and describing the picture. They have also re-told the story of 'This is the Bear' in their own words. We have continued to practise letter formations and started working on our English Skills.

Maths

We have had a busy Maths week where we have been ordering numbers from the smallest to biggest number. We have also explored mathematical language such as equal to, more than, less than (fewer), most, least and doing activities based around that. We have also worked on one more and one less.

Topic

In Music we have been looking at rhythm and finding the pulse of a song. We have been using the program Charanga to explore exciting songs and learn new pieces of music.

In History this week we have been thinking of what our favourite old toy that we saw in the Thomas the Toymaker workshop. We have remembered what it was made of and how it worked.
