

Year 4

Dear Parents & Carers,

This week some of our children had the privilege of working with our drama teacher, Mrs Howe and the poet, Roger Stevens. This was an exciting project, which was filmed live and interactive by LGfL. Two other schools participated on-line and schools throughout Kingston will all be able to view the workshop soon on the LGfL website. We hope that there will be other opportunities to participate in this project at a later date.

Unfortunately, several members of staff and many children have been struggling with coughs, colds and flu-type symptoms recently. Please find an opportunity to remind your child about good hygiene habits around using tissues, coughing, washing hands and so on. Thanks for your support with this important matter.

Have a lovely weekend,

Year 4 Team

English

Your child will be bringing home a grammar sheet on prepositions. This will consolidate work we have been doing in English this week. The children have chosen the level of challenge that suits them. They should complete the sheet following the instructions at the top and use their best handwriting.

Please ensure they write their name at the top!

Spelling and times tables practice should be done on a daily basis for 5 to 10 minutes. Please continue to read and enjoy books with your child as often as possible.

The school is currently updating the Mathematics system with our new class details. We will set your child some work to do as soon as we can. Watch this space!
