

Year One

Dear Parents,

We all hope that you had a lovely half term. The children had a great first day back watching the Moving Stage Puppet Theatre perform *The Three Little Pigs*.

English

This week we have been looking at poetry with the children. We have explored the 5 senses and written an Autumn poem based around them. We have also written fantastic fireworks poems following on from fireworks night this week the children created their own fireworks poem. We worked on onomatopoeia in order to help describe the sounds and actions of the fireworks.

Maths

In Maths this week we have used our number bonds to 10 and related them to subtraction facts. We have added and subtracted one digit numbers (to 10) including zero. We had fun playing a dice game using the numberline to take away. We have read, write and interpreted mathematical statements involving addition, subtraction and equals.

Topic

In Indoor PE this term, we are relating our space topic to gymnastics skills. The children are using inspiration from our topic to create intergalactic shapes with their bodies!

We made beautiful pictures of fireworks in art this week using glitter and paint.

Phonics

This week we have been working on our capital letters and matching them to the lower case letters.

From next week, we will be streaming the children for their phonics lessons. The three classes will be mixed across the year group for their daily phonics lesson, working at a level appropriate for them. If you have any questions please do not hesitate to ask your class teacher or TA.
