

Celebrations

We thought about celebrations we enjoy such as birthdays, Christmas, Easter, Diwali, New Year and Bonfire night. Which is your favourite and why?

We had a celebration party in our role play home corner and made cupcakes using vanilla sparkling playdough. We had so much fun celebrating!

Challenge!

With a grown up, can you have a go at using scissors at home? Perhaps you could try cutting along a zigzag line or cutting around a simple picture? Make sure you are always sitting down in a safe place and with a grown up to help you.
