

### Phonics

Our sounds this week were 'h' for happy, 'b' for bag, 'f' for firework and 'ff' in puff.

We are making progress with the tricky words so please keep practising them! Once your child knows most of their tricky words, can they use them in a sentence?

### Christmas activities

Thank you for paying £12.50 for both our Christmas treats, the pantomime in school on 12th Dec and our Story Storks trip on 7th Dec.

Please ensure you have returned your 'Generic Concert' form too!

Thank you.

### Christmas Concert!

Our Christmas singing concert will be on the **Friday 1st Dec at 9.15!** A more detailed letter will follow, but save the date! The children will be so excited to share some festive songs with you.

### Well-being Talk

We will be holding a talk for parents on the **Friday 24th November at 9am**, Please come along if you can!

## Week ending 03/11/17

### Poppy, Bluebell and Sunflower Class

### Space

We are looking forward to starting our topic on Space next week. We would love to receive any plastic bottles with lids, to make discovery capsules. We would also gratefully receive any tin foil, silvery items, torches, and anything else spacey! If you have any books about space that we could borrow for the day we would love that too!

### Firework fun!

We have celebrated fireworks! We painted firework pictures and talked about fire safety. We also thought of different words to describe them!

We have been counting and adding fireworks. How many fireworks can you see over the weekend? What words could you use to describe the sights, sounds and smells?

### Focus on teen numbers:

We will be working on our numbers from 10-15 this half term, and would really appreciate your support. Please look out for 'teen numbers' and talk to the children about the two digits (i.e the first digit means 10).
