

Year 3

Welcome back!

We hope you had a wonderful break and are ready for an exciting half term. This week we have been thinking about bonfire night celebrations. The children have written their own firework poems and have created fantastic firework pictures. We have introduced 'forces' which is our new science topic. In maths we have been working with money and learning to work out change using a bar model.

Year Three Team ☺

Homework Reminder

English:

Have a go at creating your own calligrams about winter.

In your English homework books there are some examples of calligrams about winter. Use these to help you write your own.

Remember to include words which are linked to winter. For example: snow, chilly, snowflakes, hot chocolate, warm coats.

Spelling:

Please learn week 7 spellings for dictation on Friday 9th November.

Reading:

Remember to keep recording your reading over the weekend.

Date Reminder

Friday 17th November –
Children in Need. Mufti Day
(bring £1 to wear own clothes)

Wednesday 22nd November –
Cinema Trip

Announcements

Please can you bring in empty (and clean) cans, cardboard boxes, loo rolls, plastic containers and tin foil to use for junk modelling in our Art lesson next week. Please bring in on Monday.

Remember to bring in your instruments for your lesson on Wednesday.

Year 3 are running low on tissues. We would appreciate any donations next week.
