

# Year Two

Dear Parents / Carers,

Welcome back, we hope you had a wonderful and rested half term. Please can you bring back your child's PE kit and make sure its named. Could the children please have indoor and outdoor kit in the bag.

## English

This week we have started the story 'Lost and found'. We have acted out the beginning, middle and end and have looked at the different vocabulary in the story. Finding the adjectives and conjunctions.

We also had a lesson looking at using the conjunctions- and, but, because, so, when, if- in our writing.

## Maths

In Maths, we have been measuring lengths and heights using non-standard and standard units of measure.

We measured different items using decimeter rods and rulers. We learnt how to measure accurately.

## Topic

In Science we were looking at habitats and micro- habitats. We went on a mini-beast hunt around the school grounds.

In Geography we were naming and locating continents and oceans.

## Notices

Sorry if there was any confusion this week on what day the spelling quiz was going to be on this week. As we are now in new phonics groups- spelling quizzes will always takes place on a **Tuesday** in our group.

We will be sending home your child's maths quiz they complete fortnightly to look over. Please ensure they are returned on Monday morning.

A reminder now we are back to school, no jewellery or nail varnish to be worn in school please, thank you.
