

Year 3

Clink, clank, crash, boom! The Iron Man has arrived in year 3. Where did he come from? Nobody knows!

This week we started reading The Iron Man by Ted Hughes. The children have been fully immersed in the world of all things metal and giant. They have enjoyed making models of the Iron Man, acting out his movements and writing similes about his body.

In maths, the children have been using column addition as a formal method to add two and three digit numbers.

In Science, the children have continued to learn about forces through a variety of investigations.

Year Three Team ☺

Homework Reminder

Maths:

We would like the children to complete page 13 in the home/school maths book on column addition. This is an example of how we set out column addition at Fern Hill.

$$\begin{array}{r} 564 \\ 362^+ \\ \hline 1 \\ 926 \end{array}$$

Spelling: Please learn week 8 spellings.

Mathletics: We have set a few addition tasks for the children to complete. Please let your child's teacher know if you are having any difficulty accessing Mathletics at home.

Date Reminder

Friday 17th November –
Children in Need. Mufti Day
(bring £1 to wear own clothes)

Wednesday 22nd November –
Cinema Trip

Announcements

Remember to bring in your instruments for your lesson on Wednesday.

Elm class need parent readers to come in on Monday and Thursday (2:45-3:10 pm). Please write in your child's diary if you are able to help.
