

Zoolab

We had such a fantastic day on Monday when Alan from Zoolab joined us with his animal friends! Information and photos can be found on the school newsletter today! Well done Daisies, we were so proud of you!

Library

We visited the library on Wednesday and chose our first library book to bring home and share with you!

Next week!

We are introducing Elmer to our jungle! If you have any Elmer books at home, please read them with your child.

With Elmer's help, we will be looking at colours and patterns so see what you can spot when you are out and about!

Talking of spots, on **Friday 17th November**, children are invited to come dressed in spots for Children in Need in return for a £1 donation! Let's get spotty!

Jungle time!

Daisy Class has been transformed into a jungle as we creep, wade, stomp and hiss our way through this exciting topic! With the children, we designed and created the role play area, using their imaginative ideas to bring the theme to life!

Week ending
10/11/17

Daisy Class
The Jungle!

Shoes

We use the outdoor area whatever the weather and change into wellies if it is wet/muddy. Please make sure that you have shoes without laces to support them and us with these regular changes.

Challenge!

Now that the weather is colder and we need to wrap up warm, it is a great time to have a go at putting your own coat on! It may take a few attempts to start with however you will soon get the hang of it!

Christmas Concert

Our Christmas concert will be held on Thursday 7th December (AM @ 11am and PM @ 2.30pm). You are all invited so save the date! Further information to follow!

Reminders

Please can you make sure that you have provided your contact information to your class reps (AM and PM) to ensure that they have a full list in order to contact you about all of the exciting events coming up!

If you have any spare clothing that you are able to donate to Daisy class (trousers, tights, socks) we would be extremely grateful! Thank you for your continued support.
