

## Year 3

---

This week we have been super investigators as we have been learning about forces and carrying out an investigation in science. In English we have been writing a character description about the Iron Man, making sure we include descriptive language such as similes and expanded noun phrases. We have been doing subtractions in maths, mainly focusing on the expanded column method. We have found this quite challenging but we are really proud of everyone for being resilient and doing their best. Lastly, we have started learning our Christmas songs for the Christmas concert. We are excited to say that the Year Three song is 'Rudolph the red nosed reindeer'.

### Homework Reminder

**Topic:** To celebrate cultural diversity at Fern Hill, we would like this week's homework to be focused on different children's cultures and lives. Please bring in something that is important to your culture or family life to share in class next week. For example, photos of family events or special meals, important clothing, phrases in a different language that they could teach the rest of the class.

**Spelling:** Please learn week 9 spellings.

**Reading:** Please continue reading at home and writing comments in your diary.

### Date Reminder
