

## Year 5

---

Dear Parents & Carers,

The ripple of excitement has begun about the notorious end of term Talent Show. We would like as many of our children to have a go at auditioning, as we know we have a lot of talent out there. We will be carrying out auditions during week beginning 11<sup>th</sup> December.

You will have seen Parentmail regarding NSPCC's assembly to the children regarding speaking out to trusted adults if they need to. Y5 will be taking part in a workshop with them next week.

In Maths, we have been carrying out word problems using short division (sometimes called bus stop method). We will be revisiting this again next term. Some children may benefit from a little extra practice to consolidate this.

In English we have carried out an extended writing task applying the different skills learnt so far.

Next week we will be carrying out progress tests on work done in Reading, Writing and Maths.

Have a great weekend!
