

Year One

Dear Parents,

Congratulations to all the children on a fantastic Christmas Concert. You all sang and looked beautiful and it was a great success – well done. Thank you parents for bringing in all the wonderful costumes. I hope you are now all feeling the Christmas joy!

We look forward to seeing all the parents that kindly volunteered to help with the 2 trips that will be happening next week. Please go to the office to register before coming to your child's classroom. Many thanks.

English

In English this week that children have done a fabulous job learning all about imperative (bossy) verbs. We have made our own sandwiches making sure to use these verbs and we have written instructions for an alien about how to get ready for school.

Talking Point – can you play Simon Says with your child making sure that you and they use imperative verbs for the commands.

Maths

In Maths this week we have focused of subtraction within 20. We have used the 10 frame, numicon and the bar model to help. We have looked at missing number sentences using subtraction facts to 20.

Topic

In History we have looked at significant people in History and this week the children learnt about Tim Peake. Using questions words the children thought of a questions that they would like to ask him about his time in space.

Your child's English and Maths books have been sent home today for you to look at with them. Please can you sign the sheet attached and we would greatly appreciate a comment about your child's progress. Please return the books by Monday. Many thanks.

Phonics

In phonics, we have worked on various digraph dependent on the class. These have included – oo (short and long vowel), ar, ear, ure, ew and u-e
