

Year 4

Dear Parents & Carers,

We would like to thank all the parents who helped walk with us down to the church yesterday; we all made it in one piece! Their behaviour on the walk down and in the church was very good as we all had to be quite patient, whilst we were waiting to begin. The children looked great in their sparkly hats and tinsel and they sang brilliantly. The parent choir was also excellent. The children loved joining in with the 'bom, bom, bom' and they made us all smile! Well done if you were involved.

We have started making gingerbread this week and your child will be bringing home a design and recipe with their sample tree decoration. We hope you all find some time to create a little gingerbread house together over the holiday.

This will be our last newsletter of 2017, so please have our very best wishes for a peaceful and relaxing break with your families.

Merry Christmas and a Happy New Year to you all!

Year 4 Team

Date Reminders
