

Year Two

Dear Parents / Carers,

Thank you for looking at your child's English and Maths books and for writing in comments and signing the stuck in sheet. It was wonderful to read many of you can see the progress your child has already made this year.

English

This week we have been revising the use of commas in a list. We write a letter to Santa listing the things we might like for Christmas. We then practiced the use of conjunctions in our writing. Trying to use a variety and not just 'and' and 'because'.

Maths

We have continued to learn our 3 and 4 times tables. We enjoyed playing the game 'Moon maths' which can be found on the internet.

We then used our knowledge to complete word problems involving multiplication and division.

Topic

In Art used our hands to hand paint a Father Christmas. We have also enjoyed completing a 'Winter booklet' full of fun activities.

Notices

The children will be bringing home a reading and Maths paper that they have had a go at next week. Please look over these during the holidays and return them to school on **Thursday 4th January.** We are very proud of all of the children for giving them a good go and trying their best, this is the first time the children have tried them and we will be doing lots more practices throughout the year.

Please remember that the school day finishes on Thursday 21st December at 1:30pm. Please be aware that Wednesday and Thursday next week are mufti days.

Thank you for all of your support this term. The Year 2 team would like to wish you all a very merry Christmas and a happy new year.
