Daisy Class
Winter

Self registration

To support the progress of name writing in Daisy, children will be signing in each morning. Once the children have located their daisy, they can use it to help them to write their name on the large piece of paper which will be on the table nearest the door. Please support them as they get used to this new challenge.

Winter

We have had such fun exploring Winter! We have been looking at the clothes that we wear in Winter. Can you name some of the items you will need when you go out on a cold day? (*hat, scarf, earmuffs, boots, gloves*)

Clothing!

Please return any clothes that have been sent home with your child when they have been changed at school. We are missing lots of pairs of tights, trousers, tops and socks! Thank you!

We have been matching different patterns and colours of mittens and designing our own warm clothes!
