

This week's sounds

We have learnt the following sounds: ow (cow), er (dinner) and oi (coin). These are in your key word wallets so you can practise at home.

Tricky words:

they, you, her, all, are, was

This week we have...

Introduced our topic on Dinosaurs. An egg hatched into a baby dinosaur, however it ran away! We have been looking for clues. We have also been thinking about what we would like to find out about dinosaurs.

Next week

We will be continuing with our dinosaurs theme, learning about different types of dinosaurs and thinking about what it might be like to meet one!

Show and Tell will only be about dinosaurs too!

Week ending 12/01/18

Poppy, Bluebell and Sunflower Class

PE success!

We are really proud of the children for getting changed for PE. Please keep practising those buttons and tights at home!

Please bring in your child's PE kit if you haven't already!

Teddy Tennis!

All Reception classes are having Teddy Tennis on a Friday! An outside company comes in to teach them as part of their PE!

Maths

We have been revising the skill of finding 'one more' and 'one less' of a number and ordering numbers 1 - 20. We have also started to have a go at problem solving using eggs. For example; *There were three eggs and two more arrived, how many eggs are there altogether?*

Reading

Please write a comment, tick or sign when you have read with your child.
