

Year Two

Dear Parents / Carers,

Starting from next week your child's spelling test will take place on a Thursday weekly.

English

In English this week we have started our new book 'Fantastic Mr Fox'. The aim of this unit is to write a persuasive argument. We learnt about using persuasive phrases such as 'I strongly believe that...' and 'In my opinion...'

Maths

We continued our learning on money learning to find amounts in different ways.

Your child will come home each week with a Math's quiz. Please look through the quiz with your child and return it every Monday to be kept in school.

Topic

This week we started our topic about Florence Nightingale. We looked at source pack and then used this to answer questions about her and her work. We enjoyed discovering why she became famous.

In Science we have also begun our new topic called 'Materials'. We looked at what different things are made from and how they are produced. We then had a go at classifying and sorting a range of materials. **Challenge:** Can you locate and describe different materials around your home? Can you think about why they might be made from that material?

Notices

Year 2 Curriculum meeting for Parents: **Monday 15th January at 9am**

Class assemblies continue this half term. They are held between **14:45-15:15 on Tuesdays**. Please see the dates below.

January 16th: Heather Class

January 23rd: Bracken Class

In preparation for Art's Week please could you bring in finished kitchen rolls, wrapping paper rolls and tubes (not toilet rolls). Thank you to those who have already brought lots in!
