

## Year 5

---

Dear Parents & Carers,

This week we have started our fractions work in maths looking at equivalents and simplifying them. In English we are exploring the story of The Wooden Horse through drama. In our Buddhism studies the children have envisaged their perfect world.

We have enjoyed hearing the different myths.

Your child has brought home their English work for you to look through with them. It would be useful to look at the interesting writing, next steps and feedback.

Have a good weekend,

Year 5 Team ☺

---

### Homework Reminder

**Maths – complete p.28 on equivalent fractions.**

**Spelling – test will be on plural rule; children to learn week 2.**

**Times Table – 9x**

**Reading – gentle reminder to encourage your child to read daily and regularly update their reading diary. When you read with your child that should also be recorded.**

### Date Reminder

**January 19**

Parent Meeting

**January 25**

British Museum Trip

**February 9**

Final installment for school journey due.

---

### Announcements

Please could you send in any colour magazines that you no longer require. We will need these for Arts Week.

Also, if anyone reads the Financial Times, could we please have any unwanted copies of these – many thanks.
