

Year 5

Dear Parents & Carers,

Thank you to the parents who were able to come to the parent meeting today. We hope you found it useful and informative. The PPT used, which is on the website, outlines the key areas of focus. If you were unable to attend and have any further questions, please communicate with each other or obviously come and talk to your class teacher.

In Maths we have progressed onto comparing, ordering and adding fractions. Next week, as it's Arts Week, we will move onto looking at nets and symmetry of shapes.

In English we have started writing their newspaper article on the Trojan war. Please continue to encourage your child to read an appropriate newspaper or article.

We are due to go to The British Museum next Thursday. As we need to leave promptly at 9am, please ensure all children are in school by 8:45 at the latest so we can organize them for the day. Please remember to provide them with a packed lunch and water bottle.

Have a good weekend,

Year 5 Team 😊
