

Year Two

Dear Parents / Carers,

We look forward to starting Arts Week next week.

A reminder that your child's spelling quiz takes place on a Thursday from now on.

English

This week we have been exploring further the story of Fantastic Mr Fox. We wrote a persuasive argument as Mr Fox. We practiced writing in 1st person and starting our paragraphs with a persuasive phrase such as 'I strongly believe'.

Maths

We consolidated our learning on money focusing on finding change and problem solving. Next week we will be looking at properties of shape.

A reminder that your child will come home each week with a Math's quiz. Please look through the quiz with your child and return it every Monday to be kept in school.

Topic

In Science, we have been continuing our topic on Materials. We thought about the properties of materials and why we would choose certain ones to make objects with, and not others. We also thought about how some objects are made of more than one type of material, and why this is.

Notices

Thank you very much for all those who attended the Year 2 Curriculum meeting. If you were not able to make it you can find the information on the school website.

Well done Heather Class for a fantastic assembly. Bracken Class will perform their assembly next Tuesday at 14.45.

In preparation for Art's Week please could you bring in finished kitchen rolls, wrapping paper rolls and tubes (not toilet rolls). Thank you to those who have already brought lots in!
