

## Year 3

This week in Year 3, we have continued our topic of volcanoes. Both this week and last week, we made our volcanoes erupt!

In Maths, we have moved onto division, looking at different methods such as using arrays, repeated subtraction and sharing equally between groups.

Our story 'Journey' was still our topic in English, however, our focus this week was more on writing. The children in all 3 classes did fantastic writing, making sure their sentences were very descriptive.

We hope you have a lovely weekend.

Year Three Team ☺

### Homework Reminder

#### Exploration Homework:

Our theme for Art Week is Africa! We would like you to do some research on this continent and bring in your favourite fact to share in class next week.

We would also like you to bring in material or old clothes (which you don't mind cutting up) for us to use for our Art display. Preferably, we would love bright and interesting colours and patterns!

Finally, if you have been to an African country, we would love to see any photos you may have, or souvenirs, such as clothing, a book or CD.

#### Spellings:

We would like you to learn week 2 spellings for dictation next week.

#### Reading:

We would like you to continue reading your books as often as you can and writing a minimum of 2 comments in your diaries each week.

### Date Reminder

#### Wednesday 24<sup>th</sup> January

Natural History Museum Trip

#### Class Assemblies

Rowan – Tuesday 30<sup>th</sup> January

Elm – Tuesday 6<sup>th</sup> February

### Announcements

#### Dictation

Children from all classes will have dictation on Friday.

#### Wider Opps

If your child does bring their instrument home, could we kindly ask that they are very careful with them. Thank you!
