

Kind hands and kind words!

We have been talking about how important it is to have kind hands and to use our words. We thought of how we could use kind words and how using a calm, gentle voice is much nicer than shouting when we want to say something. We also thought about how lovely it is to celebrate each other and say kind things to one another. It makes the other person feel good and it makes us feel good too!

'i' sound

This week we have learnt the 'i' sound. We thought carefully about anything that begins with 'i' we came up with 'igloo, insect, instruments, ill and iguana!' We also learnt an 'i' song about inky the mouse. (search Jolly Phonics 'i' song on YouTube!)

Week ending
26/01/18

Daisy Class

Respect - kind words,
kind hands

Staying healthy

To help your children remain healthy, we are reminding them to wash their hands regularly. We use soap and wash them carefully after the toilet, before eating and after any messy activity.

Number of the week

This week we explored the number 6!
We talked about the different places that we could see the number 6 - some of us have it on our front door! Then we all had a go at drawing the number 6 in lots of different places...even in shaving foam!

Home Learning: Can you spot the number 6 or the letter i anywhere?

Cake Sale

Thank you so much to all those who donated cakes for the Daisy Class cake sale today! The children were very excited and we talked about what we would spend the money on. We will update you once we have purchased the new equipment.

Parent meeting

Many thanks to all those who were able to attend the parent meeting on Wednesday. The PowerPoint presentation is available to view on the school website. Please do not hesitate to ask if you have any questions!
