

Next week...

We will continue our Arts week on Antarctica and the Arctic! Don't forget our whole school parade on **Friday 2nd Feb at 2 o'clock until 3!** Hope to see you there!

Top Tips

We use 'Jolly phonics' sounds songs at school. They are available on youtube and are a great way to revise the sounds your child is still finding tricky, just by having them on in the background!

Similarly there are lots of counting songs too! Or even yoga videos! :)

This week's sounds

We have learnt the following sounds: ure (pure), ou (house), and ie (pie). How many words can you think of with these sounds?

Tricky words:

have, said, like, come, some

This week...

We have started Arts Week! We introduced the theme of Antarctica and the Arctic! We spoke about colours and animals that we might find there.

Week ending 26/01/18

Poppy, Bluebell and
Sunflower Class

Maths

We reviewed repeating patterns and symmetry. Can you find anything symmetrical in your home?

Spare clothes

Please return any clothes that your child has been changed into at school. Lots have been borrowed and not returned, so we have run out of clothes!

Thank you!
