

Year 3

This week in Year 3 we have been very busy creating amazing pieces of art as it has been Arts Week.

Our theme was Africa, so we focused on making traditional and modern African art. Our inspiration for one of our creations was an artist from Mali, named Abdoulaye Konate, who is known for using lots of colours and textures. We cannot wait to show you our art exhibition!

In Maths, we have been refreshing our memories on shape and times tables. As it was Art Week, we incorporated our theme of Africa into our lessons.

This week, we did our own investigations in English. We had to research, plan and produce a piece of work about endangered animals and what we can do to help them. We found it a challenging but fun investigation to complete throughout the week.

We were lucky enough to go to the Natural History Museum on Wednesday and we all had a brilliant day! We really enjoyed doing the Dino Workshop and exploring the museum. Thank you so much to our parent helpers!

We hope you have a lovely weekend.
