

Year 5

Dear Parents & Carers,

Thank you to the parents that were able to come with us to the Buddhist temple this week. It was a very informative hour where the children got the chance to see a temple and ask a monk about his day-to-day living. The children were also taught how to meditate.

We have been continuing our work on fractions from before Arts week. We have been looking at the relationship that fractions and decimals enjoy.

In English, we have continued to write our newspaper reports on the fall of Troy and next week we look forward to publishing them.

The children enjoyed listening to fairytales in French as part of Cultural stories week.

Have a good weekend,

Year 5 Team ☺
