

## Year 3

Well done to Elm class for their wonderful class assembly on the story *Journey* by Aaron Becker. The children should be proud of their confident and engaging performance.

In English this week the children started to create leaflets based on their volcano research. They have enjoyed using exciting openers to engage the reader.

Our focus in maths this week has been telling the time. We will continue with this topic after half term and so we encourage the children to practice telling the time during the break.

We hope you enjoyed viewing our African Arts Week display. The year three team are very impressed with the high quality of work produce by the children. Well done year 3!

We hope you have a lovely half term break.

Year Three Team ☺

### Homework Reminder

#### Maths:

Please complete page 36 in the home/school maths book. We have also set Mathletics activities to support the children with telling the time.

#### Spellings:

We would like you to learn week 5 spellings for dictation after half term.

#### Reading:

We would like you to continue reading your books as often as you can and writing a minimum of 2 comments in your diaries each week.

### Date Reminder

Friday 2<sup>nd</sup> March-

Bounce for Books

### Announcements

#### Multiplication Tests

We have taken onboard feedback from the parent talk regarding times table tests.

We have decided to test the children every Friday on a specific times table. Every three weeks we will carry out a badge test. A timetable for these tests have been sent home with the children today.

On 23<sup>rd</sup> February the children will be tested on the following tables.

Bronze- **2 x table test**

Silver- **3 x table test**

Gold- **7 x table test**

Ultimate- **9 x table test**
