

# Year Two

---

Dear Parents / Carers,

The children have all worked hard this half term and deserve a well earned rest. Please continue to read daily with your child and use Mathletics over the break. We are looking forward to our first day back at school on Monday 19<sup>th</sup> February when we will be having our Year 2 Roald Dahl Day.

---

## English

This week we have been performing poems. We have tried to use expression, actions and to deliver them clearly and with confidence. We have also reflected on our performances to think about what we did well and what we would try to improve on next time.

---

## Maths

We have continued looking at fractions this week and have consolidated our learning from last week. After Half Term we will be revising place value.

---

## Message from Mr Scott

Dear Parents, Carers,

I have made the decision NOT to mix the classes up at the end of the summer term in Year 2 this year. Decisions are made, regarding the mixing of classes, based on a number of key factors that have been discussed with class teachers, leaders and governors.

*Adam Scott*
