

Trains

We had such fun reading 'The Train Ride' and making sound effects to go with the story. Can you remember any of the things that the little girl saw? (tractor, geese, cow, horse)

Chinese New Year

On Friday we learnt all about Chinese New Year, we found out about traditions and the different animals for each new year. This year we learnt that it is the year of the dog! We painted chinese dragons using our hands, made dog puppets and measured noodles!

Shapes

We reviewed our four main shapes - circle, triangle, square and rectangle. We counted how many sides they had and how we could tell the difference between a square and a rectangle. We made train pictures using shapes - come and have a look at them! Maybe you could make a shape pictures at home!

Week ending

09/02/2018

Daisy Class

Trains and shapes!

Next half term

This half term has flown by! It is hard to believe that we are half way through our year in Daisy Class. The children have grown up so much and are progressing by the day! Have a lovely half term break and we look forward to welcoming you back, hopefully with some warmer weather and a few signs of Spring next half term!

Valentine's Day

We indulged in all things red and sparkly on Tuesday when we learnt about Valentine's day and thought of those we love and why they are special to us. We played with red playdough, red sparkly water and created lots of pictures using hearts!

Phonics

This week we focused on the 't' sound again with so many words beginning with 't'! Train, tube, traffic lights, tracks, tunnel, Thomas the Tank Engine...look up the song on YouTube - Jolly Phonics 't'
