

This week's sounds

We have continued consolidating our digraphs (ar, or, ur and ow) and practising reading and spelling longer words with consonant blends at the start or end (**s**pring, **cl**oud, **h**and).

Bounce for Books

Your children will be 'Bouncing for Books' on Friday 2nd March. Don't forget to use your sponsorship form!

World Book Day!

Thursday 1st - children can come in dressed up as their favourite book character.

PE bags

Please send PE bags back in with named indoor and outdoor PE kits. We do go out in most weathers so warm kit is essential. If items have gone missing, please come and ask, as we have some unnamed and unclaimed items!

Junk Modelling Request

If you have any junk modelling bits and pieces at home then you no longer need, please can you save them for us! We are running a little low.. thank you!

Week ending
23.02.18

Poppy, Bluebell and Sunflower Class

Cake Sale!

We had a fantastic amount raised in our last cake sale - thank you so much again! We have decided to spend the money on 2 new water trays for both our outside areas. We can't wait to get them!

Maths

In maths we have been looking at number bonds to 10 and recording all the different ways we can make it. 9+1, 8+2, 7+3 etc. It's always the same answer! Can you get 10 objects and see how many ways you can group them?

Next Week

We will be continuing our theme of 'People who Help Us', focussing on firefighters following our trip on **Tuesday 27th February**.

Have you been to the fire station before?
How do they help us stay safe?

Write the missing number to make 10.
