

Aeroplanes

We have had such fun flying around in our role play aeroplane! We thought of places that we would like to go, venturing as far as Australia and Thailand and even hopping on our aeroplane for a quick trip to Sainsburys! We all took turns to climb aboard and count down for take off!

Rhyming games

We played a game where we could put anything in our suitcase as long as it rhymes! You could put a hat, a cat and a bat in your suitcase or a dog, a frog and a log! What will you put in yours?

Listen out for rhyme in any books, songs or poetry that you share!

Thank you

Thank you so much for all of your cake donations! We raised a fantastic £186.57! We will be purchasing lots of new craft materials, a new slide and some fresh sand for our sand pit! Thank you very much!

Daisy Class
Aeroplanes, rhyme
and counting.

Counting

We have been counting up to 10 using aeroplanes! We sang '1 little, 2 little, 3 little aeroplanes...' and counted the aeroplanes as we sang. At the end, we counted all the aeroplanes and then checked to make sure that we had counted correctly. We used our fingers to count up to 10 too!

Road Signs

We looked at lots of different road signs and talked about what they all mean. We knew what lots of them meant from spotting them around when we drive or walk with our grown ups! We even made our own signs using craft materials. Can you spot any this weekend?
