

This week's sounds

We have continued consolidating our digraphs and trigraphs (oi, er, igh, ear). We have practised writing sentences and even had a go at adding adjectives for more detail!

Bounce for Books

We bounced for books today and it was so much fun! A great way to raise money for new books in school.

Thank you for all your sponsorships.

PSA event

Next **Friday 9th March** the PSA will be holding a 'Mothers Day' breakfast in the large hall from 8.20. Some of the dads will be there to serve so the mummy's can have a coffee and a crossiant with their child. Donation buckets will be around the hall for you to contribute.

We are looking forward to seeing you there!

Week ending 02.03.18

Poppy, Bluebell and Sunflower Class

World Book Day

On Thursday we had a fanstastic time looking at all of the children's costumes. We had a great time sharing and reading our favourite stories and talking about the authors.

Well done everyone for loving reading so much!

Maths:

In maths this week we have been practising counting on.
Example: $5 + 3 =$
We put five in our heads and count on from 5 for 3 stops. What number do we land on?
We have been doing this on our fingers and using number lines.

Fire station trip 2.0!

As you know we were unable to go to the firestation on Tuesday due to a big fire in Tolworth. We have arranged with the firestation to visit **on Tuesday 6th March**, with exactly the same times for each class. Please let the class TA's know if you can help.

Poppy parents: please provide lunches like you did this week. Thank you.

Counting On
