

# Year 6

---

Dear Parents & Carers,

The children had a great time bouncing for books last Friday. Please get in your sponsorship money as soon as possible.

We have been including more arithmetic practice in our maths lessons. We often use the website <https://myminimaths.co.uk/>. On here, you can access questions and answers for all areas of maths. Please have a look at this with your child/children to work on any areas they need strengthening, or just some general arithmetic- it's all good practice!

All three year 6 classes were visited by Mrs. Stephenson this week for a chat about the general behavior of the year group. They were reminded of what behaviours are appropriate, with an emphasis on respecting **all** adults, both in and out of school.

Parent consultations will take place on **Wednesday 21<sup>st</sup> and Thursday 22<sup>nd</sup> March**. Appointment times have been sent home with your child.

Mrs Howarth, Mrs Lawn, Miss Bennett and Mrs Vincer.

---
