

# Year One

Dear Parents,

Many thanks to all the parents who came to Hampton Court Palace on Tuesday. The children had a great time and thoroughly enjoyed the workshop.

We will not be changing your child's High Frequency Words until the start of next term.

Next Friday we are celebrating Sport's Relief. Please could your child come to school in a sport's outfit. Football kits are allowed.

## English

This week in English, we have written all about our trip to Hampton Court. We have written a recount using time adverbs at the start of every sentence (first, then, after that, finally). We have also written a leaflet about what you can do at Hampton Court and what people will experience.

## Maths

This week in Maths we have been focusing on subtraction and the understanding that subtraction is the inverse of addition. The children have also used their knowledge of number facts to 20 to solve problems. We have used our understanding of additions to find corresponding subtraction sentences.

## Topic

In Science, we explored living plants and used magnifying glasses to see all the different parts of the plant. We labelled the plants and wrote sentences about what a plant needs to survive and why.

In RE we have looked at the story of Noah's Ark. We have discussed how it is a shared story between the Old Testament in the Bible and the Torah. We then sequenced the story.

## Deputy Head teacher's certificate

**Lavender**

Artimus

Maya

**Cornflower**

Farida

Zakariah

**Foxglove**

Sorosh

Tom

Your child's new Maths book will be sent home today. Please could you tacky back them and bring them back by Monday. Many thanks.
