

## Year Two

---

Dear Parents / Carers,

We look forward to seeing you at parents evening next Wednesday or Thursday.

A reminder that school closes at 2pm on Thursday.

---

### English

This week have been writing our narratives based on the story 'The Bear and the Piano' by David Litchfield. We have included adverbs and exclamation marks for effect in our writing. Next week we will be immersing ourselves in poetry looking at a variety of poems about Spring.

---

### Maths

We completed our learning on addition by solving word problems using number lines to show our answers. We have also looked at subtraction taking away two digit numbers from two digits numbers using our partitioning knowledge.

---

### Topic

In History, we looked at another nurse who helped in the Crimean War, Mary Seacole. We learnt about how she helped the soldiers on the battlefield. We looked at similarities and differences between Mary Seacole and Florence Nightingale.

Next week the children will be enjoying the Florence Nightingale workshop in school.

---

### Notices

Next Friday is Sport Relief. Children can come to school in sports clothes – Sports Relief branded, house colours, or sport clothes. In the afternoon children will compete in their houses and take part in skipping races.

### Deputy Head Teachers Award
