

Year 3

Our English this week has been all about emotions. The children have been learning how to show emotion in their writing. This work has tied in with our new class text *Escape from Pompeii*, which tells the story of a brother and sister who witness the eruption of Mount Vesuvius.

In Maths, we have continued our unit of work on fractions. We have focused on tenths of an amount and finding equivalent fractions.

We have sent the children home with their English and Maths books so that they can share their learning with you over the weekend. The children should return their books on Monday morning.

Have a lovely weekend.

Year Three Team 😊

Homework Reminder

Maths:

We would like the children to complete page 25 in the Home/School maths book. The children have also been encouraged to look out for fractions in real life situations.

We have set a few fractions tasks on Mathletics.

Spellings:

Please learn week 9 spellings.

Reading:

We would like you to continue reading your books as often as you can and writing a minimum of 2 comments in your diaries each week.
