

Year 5

Dear Parents/Carers

In maths, this week we have been multiplying fractions by whole numbers. We concluded the topic with some word problems.

In English, we have been planning our Greek myths with a view to writing them into presentation booklets and reading them to our paired class.

School Journey: We trust you have received the medical forms that went out this week. Thank you to our parents who have returned them already. As requested, if we could have the rest in as soon as possible that would be great.

The final deadline for the return of the form is 28th March.

Parent Meetings: We look forward to meeting with you next week. Just in case you have not signed up for a slot, please come and see us and we can fit you in. In year 5, children are also invited to attend the meeting if you wish. This gives them an opportunity to understand their targets and therefore take responsibility for their learning.

Wakehurst Place: The date has been changed to Thursday 26th April. We trust the parents that were going previously are still able to come. Please let us know if circumstances have changed. We will require contact forms to be done again so that the information is current.

Regards

Year 5 Team 😊

Homework Reminder

ENGLISH: Please complete the grammar questions on the sheet and stick it into your book neatly

Spelling: Test is morphemes words: learn Y5/6 words

Times Table: These will now be specific to your child. They should have this recorded in their home-school diary.
