

## Year 3

In English, we have carried on looking at the story 'Escape from Pompeii', continuing our focus on emotions. The children have written fantastic sentences about a chosen scene from the book.

In Maths, we went on a very exciting Easter egg hunt around our classrooms. We carefully collected the eggs together and recorded how many of each colour egg we had found. We've been looking at different ways to record our results, such as a tally chart, pictogram and block graph.

To finish our science topic on rocks, fossils and soil, we became archeologists! We had to carefully excavate the 'fossils' from the 'rock' without breaking them. We were then lucky enough to eat our fossils (chocolate chips) afterwards!

Have a lovely weekend.
