

# Year Two

---

Dear Parents / Carers,

---

### Quizzes

Well done to all the children for working so hard on these. Please take time to look through these at home and have another go together at any questions that you found tricky. Please return them back to school on Monday 16<sup>th</sup> April.

We hope you have found it informative to see the format of the papers. We have plenty of time to refresh the children's memory of anything they might be a little rusty on when we come back in the summer term.

---

### Topic

#### Easter Bonnet Parade

We have enjoyed learning about the Easter traditions and the important dates leading up to the Easter celebrations. We have all had fun, staff included, using our creativity to make our own Easter bonnets for the school parade!

**Challenge: Which changes do you notice during Spring?**

---

### Next term

Next term we will be learning about the Great Fire of London. Don't forget you can look out for our learning map on the website at the beginning of next term to find out more.

---

### Notices

#### THANK YOU

Thank you to all of you for your support this term. It is extremely helpful to have parent readers and we would like to thank those who have offered their continued support. If any other parents would like to come in to read with children next term then please let your class teacher know.

Finally, we wish you all a wonderful Easter break and we look forward to seeing you in the Summer term.

Year 2 Team.
