

Reminder:

On Friday 11th May we will be all dressing up in black and red for the day as ladybirds.

This week's sounds

We have looked at words that have four sounds in. They are called cvcc words. For example *frog*, *crab* - the second sound can be a little tricky to hear so we have been counting the sounds on our fingers.

Class Assemblies - save the date!

Bluebell class assembly - Tuesday
15th May 2018

Poppy Class assembly - Tuesday
22nd May 2018

Sunflower Class assembly -
Tuesday 12th June 2018

Maths

In Maths this week we have been revising adding on.

Also, we have been practising grouping in lots of 10. As a challenge we have been trying to count in groups of 10 using bricks, lego and straws.

Week ending
20.04.18

Poppy, Bluebell and
Sunflower Class

Donations...

Next week we are learning about growing and would love to plant some beans in our new trays outside. In order to do this we are asking for any sized donation of soil. Lots or a little bit from your garden would be very much appreciate. Thank you!

This week...

The caterpillars have arrived at Fern Hill School. We have been learning about the life cycle of a butterfly and are very excited to see the transformation begin!

Hot Weather

As the weather is getting hotter and sunnier.. please can you remember to bring in a named hat and water bottle for children.

Also remember to apply sun cream before school!

Thank you!
