

Year 3

Welcome back! I hope you all had an enjoyable and restful break.

The children have come back with a spring in their step as they started their first country dancing lessons this week. They have all been practicing walking and skipping in time to the music.

In English, we have started reading *The Firework Makers Daughter* by Phillip Pullman and we have begun to design our own fireworks.

In Maths, we have been using the column method to add money and to work out change.

The Year 3 team would also like to say well done for all the fantastic plant posters that the children made during the holidays. The standard was extremely high and we are all very impressed.

We hope you enjoy the sunny weather this weekend.
