

Top Tips for Reading!

Make books a part of your family life -

Always have books around so that you and your children are ready to read whenever there's a chance.

Join the local library (most likely Tudor Drive or Kingston) -

Register your child for a library card—it's free! You'll find a fantastic range of books to suit every child's taste. Allow them to pick their own books, encouraging free choice.

Match their interests - Help them find the right book—it doesn't matter if it's fiction, non-fiction, poetry or comics. There is no such thing as the 'wrong' book!

Get comfortable! - Snuggle up somewhere warm and cosy with your child, either in bed, a beanbag or on the sofa, and make sure they have somewhere comfy when reading alone.

Ask questions - To keep them interested in the story, ask your child questions as they read.

Read whenever you get the chance -

Bring a book along any time your child has to wait, such as the dentist or the doctor's surgery. Audio books are also great for long car journeys!

Read again and again - Encourage your child to re-read favourite books and poems. Re-reading helps to build up fluency and confidence.

KS2 Library

Here at Fern Hill we are incredibly lucky to have a fully stocked library complete with our very own expert librarian, Mrs Eakin.

The KS2 library contains a wide range of books including:

- ⇒ The 100 book challenge for each phase
- ⇒ A wide selection of fiction and non-fiction books
- ⇒ A 'Coming Soon' and 'New Releases' section which will be funded by 'Bounce for Books' each year
- ⇒ A separate collection of dyslexia friendly books
- ⇒ A graphic novels collection

Children will visit the library once a fortnight with Mrs Eakin and their class teacher.

"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss

Fern Hill's 100 Book Challenge

We have designed a varied and exciting collection of 100 books for KS1, Lower KS2 and Upper KS2. Some children may like to challenge themselves to read as many as they can on the list, while others may like to use it as a springboard to discover new authors or be grabbed by a new series of books. As long as they are enjoying what they are reading, that's all that matters!

The lists contain picture books and graphic novels right up to Year 6, as these provide amazing opportunities to appreciate the rich work of illustrators and for the children to use their own imaginations to interpret stories.
