

Year 6

Dear Parents & Carers,

We hope you all enjoyed a restful Easter break. Thank you to those parents and carers who were able to attend the SATs talk on Tuesday. If you were unable to attend, we will also be sending out information about SATS and how the week works.

Just a quick update of the dates for the year 6 production. The performances will take place on **Thursday 5th July** at **9:30** and **18:00**. There will be **no** performance on Wednesday 4th July due to Kingston school's transition day taking place then.

We have been pleased to hear that children are taking a focused approach to revising for the upcoming SATs. It is great to hear that children are focusing on the specific areas they find tricky. We do ask that the children aren't overloaded with revision and study as it is extremely important that they have some time to relax.

Mrs Howarth, Mrs Lawn, Miss Bennett and Mrs Vincer.

Homework:

Spellings- spelling lists

Please continue to revise the year 5/6 spelling lists. Children should also focus on spellings/spellings rules they find tricky.

Maths

Please complete the maths sheet on angles and coordinates.

English

Please complete the sheet on the past perfect tense.

Please continue with any practice of maths and English over the break. Again we recommend www.myminimaths.co.uk and www.spellingframe.co.uk. Additionally, children should read as much as possible- please aid this with questioning to test their understanding.

Please remember to bring the folders back to school on Monday 16th April as we will spend some time in class looking through these..

Date Reminder

Monday 14th May- Thursday 17th May

SATS week

Thursday 5th July

Production 9am & 6pm
