

## Year Two

Dear Parents / Carers,

Welcome back! We hope you all had a wonderful time over the holidays.

Please have a look at home for any school reading books that you may still have. Please return these to your class teachers as soon as possible.

### English

We are looking at letter writing from the book Flat Stanley. The children have been practicing 1<sup>st</sup> person, conversational phrases and thinking about how Stanley feels. Next week they will be looking at a model of a letter and writing their own letter using the aspects taught.

### Maths

We have a focus on time learning o'clock, half past, quarter past and quarter to. We also began looking at reading time in five-minute intervals. Next week we will begin revision with a focus on multiplication and fractions.

### Topic

This term we will be learning about the Great Fire of London in Topic. We talked about what we knew already and mapped out key events that we have learnt over the year on a timeline. We also began our learning on Plants in Science.

### Notices

Next Wednesday there will be a SATS talk at 9.10. We look forward to seeing as many of you as possible.

Library – The children are allowed to take library books out from this term and there is a new 100 Book Challenge your child may be taking part in. Please ensure books are in the book bags on your class's day to change.
