

Next Week

Oh no! Humpty Dumpty has fallen from the wall...what happened? We will be working hard in Daisy Class next week to solve the mystery!

We will be asking questions and considering what makes something a question. We will be thinking about rules and why we have them, linking this to the police and to the British Value 'The Rule of Law'.

Planting

We read Jack and the Beanstalk and did some planting of our own in Daisy Class. We took turns to plant our very own beans and decorated our plant pots too! We talked about what plants need to grow and we can't wait to watch them grow.

Nursery Rhymes!

Old MacDonald had a farm - what was on his farm? We used the song for inspiration in PE, moving like the animals and making the noises that those animals make!

We sang Baa Baa Black Sheep, Five Little Ducks, Five Little Chicks, The Incy Wincy Spider and Little Bo Peep.

We used cotton wool to make sheep and tissue paper to make chicks and ducks!

Week ending
27/04/2018

Daisy Class
Summer Term!

Tapestry (Online learning journey)

There are a number of parents who are not yet signed up for Tapestry. You are missing out on exciting Daisy Class moments! You should have received another email on Thursday (26th April) asking you to set up a login. If you have not received this please speak to Miss Roberts.

Gardening Day

Don't forget this Saturday (28th April) is Gardening Day at Fern Hill from 10am until 2pm. Come along and help Mrs Dutra and Mrs Evans get busy in the garden and all around the school grounds!

Sound of the week 'f'

Down on the farm there lived a family of friendly fish eating their food. We sang the Jolly phonic song and learnt the action for 'f'. We thought of lots of words that begin with 'f' such as friends, Friday, fun, fingers...can you think of some more?
