

Year 3

We hope everyone had a great week, despite the ever-changing weather!

In English, we have continued reading The Firework Makers Daughter. We then planned and wrote a set of instructions for our own fireworks. We had a lot of fun creating made-up ingredients and names for our fireworks!

In Maths, we have been using the column method to subtract 2 and 3-digit numbers.

In RE, we have been discussing creation stories – how our world was created – and this week we focused on the Christian creation story.

Have a lovely weekend,

Year Three Team ☺

Homework Reminder

English:

We would like the children to have a go at making a cup of tea or making a sandwich (bear with us!).

We would then like them to use this experience to create a set of instructions on what they did. They need to include a title, list of ingredients and equipment and a method.

Try and remember some of the features of instructions we learnt in class and include them in your writing. For example: chronological order, clear layout, time adverbials, imperative verbs (bossy verbs) and adverbs. You might even want to include some pictures.

Spelling:

Please learn week 2 spellings for a test on Friday 4th May. Please note that both groups have the same spellings.

Reading: Please continue to listen to your child read and encourage them to write comments in their diaries.

Date Reminder

Thursday 3rd May

Beech and Elm to Gatton Park

Friday 4th May

Rowan to Gatton Park

Friday 11th May

Roman workshop in school with the Rainbow Theatre.

Announcements

On Friday 4th May, the children have a chance at earning a new badge, as there will be a badge test on this day.

Rowan Class will do their badge test and dictation on Thursday 3rd May due to their trip on Friday.
