

Daisy Sports Day

Daisy Sports Day will take place on Wednesday 23rd May for both AM and PM children. Daisy AM sports day will be held from 9.15-10.30. Daisy PM sports day will be held from 1.45-3.00. Both events will be held on the astro in the KS2 playground.

WOW stickers!

Each week we look forward to sharing and celebrating the special achievements and wow moments of the children from their WOW stickers. They are shared at the start of the session every Wednesday WOW-day! We would love to see more WOW stickers coming in to be shared!

Clocks and Time

Hickory Dickory Dock was a great chance to practise our number recognition, ordering and formation. We made clocks and wrote our own numbers around the clock in the correct order! We also thought about why we need to tell the time and how it helps us every day.

Syllables

This week we explored rhyme and rhythm and we loved finding out about syllables. We really enjoyed clapping our names and counting the claps to find out how many syllables are in our names! The Daisy team were so impressed with the children! Ask your child to share with you the syllables in their name.

Days of the week

We further explored time by singing songs about the days of the week and having a go at sequencing them. What do you do on each day of the week? Can you remember which days are the weekend days? Do you have a favourite day of the week?

Hickory Dickory Dock

We have been using nursery rhymes to help us with our rhyming. We thought of rhyming words to complete new verses to Hickory Dickory Dock.

The clock struck two, the mouse said 'boo.' The clock struck three, the mouse said 'weeee!'

Can you think of any more?
