

Year 4

Dear Parents & Carers,

It's been yet another busy week. In English, we have been going back to basics by focusing on grammar. The children have been learning to distinguish between possessive pronouns, other pronouns and determiners. In Maths, the children have recapped their understanding of perimeter and have extended their learning to also include area. Feel free to quiz your child about all of the above. Today we have all enjoyed celebrating the end of our topic on Ancient Egypt. It was lovely to see all the children taking part with great enthusiasm in the drama workshop this afternoon.
